

XII. PROPOSAL FORM (2)

Herewith are submitted unit costs and total costs as determined from the Engineer's estimate of quantities of work to be performed. It is understood that the quantities stated in the Schedule of Prices for the various items are estimates only and may be increased or decreased as provided in the Specifications.

The Municipality reserves the right to award the contract on a split order basis, lump sum, or individual item basis, or such combinations as shall best serve the interest of the Municipality. In the event of a tie between two or more low responsible bidders, the Municipality reserves the right to make an award to any of the tie bidders.

XII. PROPOSAL FORM (5)

* The contractor shall make an allowance in the bid to cover the potential for uniform traffic director. The contractor shall allow \$25,000 to cover payment of a uniform traffic director on an hourly basis in this base bid. If no uniform traffic director is required, then no payment will be made under this item. All work must be ordered by the Engineer to qualify for payment.

** The contractor shall make an allowance in his bid for any modifications associated with this project including any materials, services or appurtenances not specifically described in the specifications but as required for completion of the project. All work must be ordered by the Engineer to qualify for payment. This item is intended to be utilized to compensate the contractor for the unknown areas of the work or other facilities not specified, but necessary to complete the work not called for or shown on the plans. The contractor will be paid from the allowance based on a mutually agreeable price between the contractor and the Engineer prior to commencing modifications for those items as ordered by the Engineer in writing.

The contractor shall allow \$10,000 to cover this work. Nothing herein shall constitute a guarantee that the contractor is entitled to payment of the full allowance. If no work is done under this item, the full amount of \$10,000 shall not be paid by the owner to the Contractor. To qualify for payment, work must be ordered by the Engineer in writing.
